Introduction

College Rifles Rugby Union Football And Sports Club Inc is required to comply with the Health and Safety at Work Act 2015. The aim of this legislation is to prevent harm to all people either at work, visiting the club or participating in club activities. The club has developed a range of policies and procedures in order to achieve these aims. Participation at Metcon Madness requires your compliance. If you are unsure about any of the requirements set out below please refer to event management.

Health and Safety Policy

Genesis Fitness along with College Rifles is committed in ensuring a safe and healthy environment exists for all visitors, contractors, volunteers and members of the public when on club premises at 33 Haast St Remuera. The Board through the GM will ensure staffs on site are well trained, resourced with process and procedures designed and in place to achieve this environment.

This environment can only be maintained through everyone taking ownership and responsibility for their actions, in doing so the club has adopted the following mantra: Metcon Madness Participants should:

- Familiarise themselves with all safety signage across the site
- Observe the 10 k/h speed limit when navigating the carpark
- Be aware of location of first aid kits and medical support
- Be aware of location of Defibrillator. Note. Instructions on the use of this equipment will be carried out by qualified staff
- Be aware of Fire / Civil Defense Emergency Evacuation procedures and the designated assembly point
- Follow all instructions issued by club Fire Warden
